Planter

DARA

Marson color

Regulations and certifications:

ISO 9001 ISO 50001 ISO 14001 ISO 45001

Planter made of steel treated with Ferrus, a protective process that guarantees high corrosion resistance. Electro-galvanised finish with epoxy primer coating and brown RAL 8019 polyester powder coated finish. Recommended anchoring: Expansion bolts.

Materials & Finishes:

Steel with FERRUS treatment: an iron protection process that ensures optimal corrosion resistance. The Ferrus treatment consists of three layers applied after cleaning all dirt and impurities using shot blasting, and it involves an electrolytic bath followed by an epoxy primer and a final coating of polyester powder paint.
